ABOUT ME

Hello and welcome to Pre-K 3! My name is Mrs. April and I've been teaching at Blessed Sacramento CDC since January 2012. I have over 20 years experience in early child care and have taught every age from infants to Pre-K, but my heart really lies in helping children prepare for Kindergarten.

For the past 3 years I've had the opportunity to take part in the Texas School Ready Program and along with the Texas Rising Star Program have brought many new teaching strategies to the classroom. I'm looking forward to establishing a positive, nurturing, and structured environment that meets your child's learning and developmental goals. My goal is to get your child ready to transition to Pre-K 4.

Throughout the school year we will explore many different themes where I will provide age appropriate activities to ranging from letter recognition and sounds, numbers, shapes, colors and most importantly social and emotional development skills through play, stories, journaling, and process art.

I am here to help your child learn and grow and understand school is fun!

MY FAVORITES

FOOD: Chick-fil-a, Whataburger, Bill Miller
